Webinar: Modern Fisheries as a Driver for Blue Economy

TransMarTech SH GmbH

July 29th, 2022

**Funded by
the European Union**

PROJECT MISSION

Transparent fisheries for a resilient ocean.

WE BELIEVE IN A COMMON RESPONSIBILITY TO FOSTER SUSTAINABLE FISHERIES AND MARINE BIODIVERSITY.

In a collaborative project we drive digital innovation to enable sustainable exploitation of common natural resources. We develop accessible technologies to empower small scale fisheries and giving them credibility towards the customer.

- Developing a central data platform (“Fish-X Data Space”) to monitor fishing activities
- Focused on the European region and Data Sovereignty (GAIA-X)
- Tackling IUU fishing activities through new technologies
