

FISH-X

Transparent Fisheries for a
Resilient Ocean

EU-Project no.: 101060879

**Co-funded by
the European Union**

PROJECT CONTEXT

FARM-TO-FORK
STRATEGY

SUSTAINABLE
BLUE ECONOMY

GAIA-X
INITIATIVE

COMMON
FISHERIES
POLICY (CFP)

PROJECT CONTEXT

EC call for innovative action on digital transition:

- Develop new monitoring and control strategies
→ Eliminate IUU & promote sustainable fisheries
- Advance digital transition in fisheries
- Provide innovative tech solutions

FISH-X IN A NUTSHELL

WE BELIEVE IN A COMMON RESPONSIBILITY TO FOSTER SUSTAINABLE FISHERIES AND MARINE BIODIVERSITY

- ❖ We drive digital innovation to enable the sustainable exploitation of common natural resources
- ❖ We develop accessible technologies to empower small-scale fisheries and give them credibility towards the customer
